WELCOME

S.M.HELLAS

SOUTH MELBOURNE

Good evening and welcome once again to Marconi Stadium tonight as legendary coach **Ferenz Puskas** and his boys from **South Melbourne** come to do battle with the home town boys **Marconi-Fairfield**.

Both teams are recovering from last weeks encounters which sees them presently one point apart with Marconi on 29 points and South Melbourne on 30.

Long time soccer veteran **Steve Blair** and co-defender **Mehmet Durakovic** are going to have their hands full this week as the home side do their utmost to grab the two points.

With the likes of **Paul** "the engine" **Wade**, the creative **Mick Peterson**, and the ever-so-skillful **Paul Trimboli** posing a constant threat to their oppositions defence, South Melbourne will truly be a force to be reckoned with tonight in Round 25 of the QUIT National Soccer League.

WELCOME

MELBOURNE CROATIA

Tonight sees Marconi play host to our second team of south coast visitors in a week, and indeed at the time of writing, the league leaders **Melbourne Croatia**.

Tonight's Round 22 match was deferred from the 3rd of March as a result of tne **Australia** versus **Israel game** being played on that same weekend.

A change of coach through the season saw **Ken Worden** from **Perth** take hold of the reins at Melbourne Croatia, and it would seem that his team's current status is an indication of his coaching skills.

Socceroo **Alan Davidson** heads an all-star line-up with players such as **George Hannah** and **John Donnelly** settling in the defence, and **Bruno Milosevic** and the ever-entertaining **Francis Awaritefe** sparking the attack.

All in all, the formula for some fine opposition for the home team.

.....did you know??

* Marconi and Melbourne Croatia have played each other 9 times in the N.S.L.
* Of the four Marconi home games, Marconi has won 1, drawn 2 and lost 1;
* Of the five away games, they've won 3, and lost 2.
* There has been an exchange of 22 goals between the two teams, of which Marconi and Melbourne Croatia have scored 11 goals each.
* Marconi has scored 4 of their goals at home and 7 of them away.
* Melbourne Croatia has scored 7 of their goals at their home matches and 4 of them away.
* The highest Marconi win away from home was 4-0 in 1989.
* The highest win at home for Marconi was in 1989 and the result was 2-1.

CONGRATULATIONS to **Peter Katholos** who celebrated his birthday last Monday.

VISITORS to the Club over recent weeks have been **Steve Corica's parents Mario** and **Mary**. They made the long trek down south from their home town of **Innisfail** in the north of **Queensland** near **Cairns**, for the young **Socceroo's Qualification** games as well as to catch a couple of NSL games.

IT WOULD SEEM that the "Marriage Bug" has been working overtime of late. Current Marconi players **Bob Catlin** and **David Lowe** as well as ex-Marconi players **Frank Farina** and **Fred deJong** will all be getting married in the off-season this year. **Congratulations** and **Best Wishes** to the guys and their respective future wives **Jane, Leanne, Julie** and **Maria**.

CONGRATULATIONS are in order to Under 17 player **Darren Iocca** on his recent selection into the **Under 17 National Training Squad** to the **Australian Institute of Sport** last week.

LAST WEEK'S **Socceroo Presentation** here at the Club was a huge success with the appearance of some great faces of the past. **Australian Soccer** owes a lot to players like these all over the country.

MARCONI and SOUTHERN DISTRICTS JUNIORS

by **Ian Marriott**

Only one week now remains before the various Marconi-Southern Districts UMBRO Youth League teams line up for their opening matches in the 1991 season and it would appear at this stage that all teams are firing on all cylinders and very much primed for a big year.

The first round matches see Marconi at home against Apia Leichhardt and Southern Districts travelling to the E.S, Marks Field where they play Sydney Olympic, both sets of games taking place on Monday 1st April.

Junior League teams, the Under 11's and 12's will be continuing to play trial matches until they kick-off in mid-April.

Two weekends ago the Marconi teams met Newcastle Austral and each of the four matches played proved to be tough affairs which was just what the doctor ordered as far as warm-ups are concerned, while the Southern Districts teams lined up against Sutherland and again all six age groups were close games with Sutherland having slightly the better of things on the day.

Marconi-Southern Districts Director of Coaching John Frew, will be becoming more actively involved with the various teams over the next few weeks and each of the teams are scheduled to receive the benefit of his coaching during special trainingsessions.

John has been very happy with the way that coaching sessions have been progressing and this is in no small part due to the quality of the coaching staff in the various youth league and junior league teams.

Both Marconi and Southern Districts teams are expecting big things this year, and by looking at the quality of players available at the Club, Vic Budini, George Baldock and Berti Mariani can be well pleased with the results to date of their junior development scheme.
